

New IP Registration Process

- ☐ This document is prepared in order to explain the functional process of New IP registration and Validation Process.
- ☐ Now, New IP registration can be done through Aadhaar Card only.
- ☐ Validation can be done at the time of registration and later also.
- ☐ Later, there are various way to validate the Insured person:-
 - ✓ Employer through Biometric Devices
 - ✓ BM through Biometric Devices.
 - ✓ Insured Person (Self) through Face Authentication with ESIC Health Connect mobile app.

Note: It is necessary to validate IP within 30 days of registration for availing all the benefits in smoothly manner.

No physical processing of paper is undertaken by ESIC for registration of Employer. If there is a change in details, it may be made on [help-shramsuvridha\[at\]gov\[dot\]in](mailto:help-shramsuvridha[at]gov[dot]in)

We Are Migrating To One Unit One Identifier
Government of India plans to do away with all employer codes being issued by separate labour enforcement agencies such as ESIC, EPFO, O/O CIC(C) and DGMS etc by replacing them with new Labour Identification Number (LIN). Your unit has already been allotted a LIN and the same can be obtained online using <http://tinyurl.com/whatismylin> Please verify the information associated with your LIN before the current employer codes are rendered useless. The procedure to verify the information is given in <http://tinyurl.com/shramsuvridhahowto> For any support please contact [help-shramsuvridha\[at\]gov\[dot\]in](mailto:help-shramsuvridha[at]gov[dot]in)
